"The report issued and generally spread about that it is the intention of my father to resign from the Appellate bench is without any foundation whatsoever or the slightest authority," says his son, J. Campbell Cantrill. "Judge Cantrill is now at Hot Springs, and, being much improved, will probably remain there several weeks. There is a possibility that his health may not enable him to sit at the the next session of court but his present state health doesn't require him to even consider resigning from the bench."

Stop Babe's Tears.

Ninety per cent of babies' troubles are caused by disordered stomach or bowels. They can all be quickly cured by a few doses of that great digestive medicine, Dr. Caldwell's (laxative) Syrup Pepsin. It digests, cures milk, sweetens the breath, reduces fever and relieves pain. Absolutely harmless to mother or child. Sure relief in teething. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

What a shame that Rockefeller should be held up as a patron of education when in every county in the United States there are men and women who have given more of their time and, in proportion to their means, more money to the cause of education than Rockefeller has. In every community there are people who at great sacrifice are giving their time as unpaid school directors and patrons, but they are forgotten, while the relatively small services of the oil king are magnified.—Bryan's Commoner.

They Appeal to Our Sympathies.

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the Stomach and Liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

"Before we were married," she complained, "you wanted to buy me everything you saw."

"I do still, darling, but I'm so blindly in love with you that I can't see much."

Sick headache results from a disordered condition of the Stomach and is quickly cured by Chamberlain's Stomach and Liver Tablets. For sale all druggists.

The Telegraphers' strike is causing serious delays in the West and nearly all trains are many hours behind time.

Dripping Springs.

I desire to contribute a few lines to your much-read paper in attempting to describe the beauty of the scenery at grand "Old Dripping Springs," where I am now enjoying life as I never did before. The scenery is sublimely grand, the water is health-restoring and the menu would tempt the appetite of the most fastidious epicure. Mr. Fisher is the most polite and considerate of hosts and Mrs. Fisher is a perfect queen of the culinary department. The meats come upon the table in triangular form, such as beefs as Abraham may have regaled the angels upon; mountain lamb and forest raised chickens. Some of the attractive guests leave Monday, but the law firm of Bobbitt & Kennedy will be here that day to spend a week. I am delighted with Kentucky. I spent a day with the legal firm at Mr. G. W. King's, Preachersville, and each a dinner is rarely spread before hungry guests. I reluctantly tore myself away after having been regaled a day and night. Mrs. King is a grand, domestic lady, with more than 200 chickens ready for the frying pan. Mr. King is a great farmer. We stopped for awhile at the Kennedy Barony and of course met the great lawyer and his student, and I wish to say before I omit it, that my heart, hand and every cent of my \$100,000 fortune is at his command, though I may have to be content with the student, as I think the lawyer's affections are irrevocably concentrated upon a lady at Stanford, but I shall do what I can to usurp the throne of affection while we are enjoying the sylvan retreat of Dripping Springs. You see, Mr. Editor, that I have written this letter by an amanuensis, but publish it any way. I authorized it written and my name to be signed to it. MRS. ANN AUSTIN, Mobile, Ala.

President Roosevelt received the Russian and Japanese peace envoys on board the Mayflower at Oyster Bay. The plenipotentiaries were introduced to each other by the President, and afterward were entertained at luncheon. During the luncheon the President, offered the following toast: "I drink to the welfare and prosperity of the sovereigns and peoples of the two great nations whose representatives have met one another on this ship. It is my most earnest hope and prayer, in the interest not only of these two great Powers, but of all mankind, that a just and lasting peace may speedily be concluded between them."

Cured Hay Fever and Summer Cold.

A. J. Nussbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon having Foley's Honey and Tar and it quickly cured me. My wife has since used Foley's Honey and Tar with the same success." Penny's Drug Store.

The Cincinnati, Burnside and Cumberland River Railroad Co., of Kenton county, filed articles of incorporation in the departments of the secretary of State and the railroad commission. It has \$250,000 capital stock and will build a road from the lines of the Cincinnati Southern road in Pulaski county. The branch will begin at Burnside Junction, in Pulaski county, and run to Burnside Landing, at the junction of the South Fork and Cumberland rivers, and thence to Tateville, Pulaski county, a distance of four miles.

Hints To Houseworkers.

Nothing is more important to the hardworking housekeeper, than to keep her liver properly working otherwise, that pale sallow look, and tired feeling, will make her look as sick as a dog. Nothing will keep you up to the mark, without injurious stimulations, so well as Dr. Caldwell's (laxative) Syrup Pepsin. It is a pure liver tonic—a cure for Constipation, Biliousness, and Indigestion. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.

John Stevenson and Daniel Morris, wealthy farmers, were found dead under the wreck of a wagon in Sand Creek, near Greensburg, Ind. It is believed their horses became frightened during a storm and ran off a bridge.

Much interest is manifested in the meeting being held at the Baptist church and I am sorry to state that three young ladies and a young gentleman, all of the younger set, became so hilarious during prayer that the supplication was suspended until order was restored. These parties are certainly not aware of their liability to indictment for disturbing public worship. Their names will be given upon the next offense.

The "West End" of Lincoln is full of visiting friends from North, South, East and West and the proverbial cordiality of our citizens' welcome is noteworthy to uninitiated. We are a veritable health resort, free from contagious diseases with pure water and atmosphere, a fine graded school, under the management of one of the best principals in the South, together with a corps of proficient teachers, second to none, then why should we not rejoice and extend a glad welcome to all to join in and rejoice with us.

Fell Dead.

A man fell dead in Chicago the other day from heart trouble, and thousands die every day in the same way. But the cause of nine out of 10 of such cases of heart trouble is indigestion. The cure is Dr. Caldwell's (laxative) Syrup Pepsin. The explanation is that the swollen, inflamed, and engorged stomach, presses right up against the heart and prevents it from working; your heart flutters, palpitations, pains and you are short of breath; some lose it forever. Just try for these symptoms, a few doses of Dr. Caldwell's Syrup Pepsin, and see how quickly it will cure you. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1.00. Money back if it fails.
